Memorandum of Understanding

This Memorandum of Understanding (Memorandum) is entered into and effective as of the last signature date below, by and between the California Department of Financial Protection and Innovation (Department) and Immediate Solutions, Inc. (Company). (The Department and Company collectively are referred to herein as the Parties.)

Recitals

- A. Company is a Delaware Corporation with the principal place of business at 1500 1st Ave North Unit 28, Birmingham, Alabama and in the business of providing funds to consumers based on the consumer's earned but not yet paid wages from their employer during a particular pay period. Company markets this as an advance pay product and service, also referred to as Earned Wage Access (EWA). The funds Company provides to the consumer through this advance pay product is not the full amount of the consumer's earned but unpaid wages, but rather limited to a portion thereof.
- B. Company and consumers (and consumers' employers) entered into agreements for the advance pay product. Pursuant to the Company's agreement with the consumer, the consumer pays a nominal \$3 processing fee per paid transaction. After a certain number of transactions in a given pay period (as defined in the mobile application), the consumer receives a final transaction for the pay period at no cost. The consumers' EWA transactions are settled through a payroll deduction processed by the consumer's employer on the consumer's next scheduled payday. The deduction includes the amount of any EWA disbursement during that pay period, plus any applicable processing fees. This process does not allow for a consumer to incur any overdraft charges. There are no recurring, automatic, hidden or late charges, no interest charges, and no installment payment plans or credit features. The Company does not report transactions to credit bureaus nor does it engage in debt collection.
- C. On January 1, 2021, the California Consumer Financial Protection Law (CCFPL), Financial Code section 90000, et seq. will become effective. The CCFPL provides the Department with authority to regulate and investigate certain consumer financial providers such as the Company. Company offers a consumer financial product or service through its advance pay product as defined in the CCFPL and thus is a "covered person" as defined in Financial Code section 90005(f).
- D. Pursuant to the CCFPL, Financial Code section 90009(f)(2), the "department may require any covered persons and service providers participating in consumer financial services markets to file with the department, under oath or otherwise, in the form and within a reasonable period of time as the department may prescribe by rule or order,

annual or special reports, or answers in writing to specific questions, as necessary for the department to fulfill its monitoring, assessment, and reporting responsibilities."

- E. The Department acknowledges that Company has been and intends to continue doing business in the State of California. The Department desires to obtain regular reports concerning Company's business activities to allow it to evaluate the benefits and risks that Company and the advance pay product pose to California consumers, whether the Company's advance pay product is a loan, and whether the advance pay product subjects Company to the California Financing Law or any other provision of California law.
- F. Subject to Financial Code section 90009(f)(2), Company will provide true and accurate information under oath and subject itself to regular periodic onsite examinations as requested by the Department pursuant to the terms to this Memorandum.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

 - f. The funds advanced to the consumer shall not be greater than 50% of the consumer's next anticipated paycheck.
4. The Department agrees to withhold the information that Company provides from public disclosure to the extent permitted by Government Code section 6254, subdivision (d)(2), (d)(4) and (f). However, nothing herein prevents the Department from using, sharing, or releasing the information provided by Company for law enforcement, licensing, law/policy development, and/or with sharing or publishing data in furtherance of regulatory or legislative purposes, provided that the Department anonymizes and de-identifies any personally identifiable information regarding consumers. If the Department receives a public records request or court order to share Company's data, Department agrees to notify Company within five (5) business days of receiving such request in order to allow Company to intervene if necessary. In the event that such information must be disclosed, the Department agrees to anonymize and de-identify any personally identifiable information regarding consumers as the law and/or court order allows.

6. Company agrees to refrain from representing to its customers that it is supervised, approved, or endorsed by the Department in any way.
7. Nothing in this Memorandum shall prevent the Department from asserting at any time in the future that the advance pay product offered by Company to California consumers requires licensure or registration with the Department under any law under the Department's jurisdiction. Nothing in this Memorandum shall be interpreted as the Department's approval of Company's business model or conclusion that the model complies with state or federal law.
8. Nothing in the terms of the Memorandum involves or is a result of a finding by the Department that the Company has violated or is in violation of any law, including but not limited to the CCFPL, in connection with its offering of EWA products to California consumers, or as an admission by Company of any violation of California law or regulation.
9. Nothing in this Memorandum shall be interpreted to restrict the Department from asserting any provision of any law under the Department's jurisdiction that applies to EWA products.
